

Brinsea's Ovation 56 EX Connect

Control and monitor your incubating eggs from your smartphone with Brinsea's revolutionary **NEW Ovation 56 EX Connect** incubator

Brinsea
CONNECT

The easy to use Connect app includes extra features such as count down to hatch and the remote connection brings convenience and flexibility to the user.

Download the Brinsea Connect app from the Apple Store or Google Play.

The Ovation 56 EX Connect is an all-digital, all-automatic egg incubator with extremely accurate integral automatic humidity control for complete peace of mind – designed with ease of use and consistently high hatch rates in mind with a range of features to suit all bird breeders.

Incorporates Brinsea's 'Induced Dual Airflow' system which represents a breakthrough in incubator design and achieves new levels of temperature consistency for optimum incubation conditions.

See www.brinsea.co.uk/Induceddualairflow

EGG HANDLING

Eggs are held in tilting egg carriers. 8 hen egg carriers are supplied as standard which can hold any egg size up to duck. See table.

Standard configuration
Approximate egg capacities with standard egg carriers

Hen/duck egg carriers

For greater flexibility large egg carriers can be bought separately which accommodate goose eggs or greater capacity of quail/pheasant eggs. See table.

Optional configuration
Approximate egg capacities with large egg carriers

Quail

Pheasant

Goose

Large egg carriers optimised for quail and goose optional extra (5 in the Ovation 56)

see www.brinsea.co.uk/latest/resource-centre for maximum egg dimensions
